TRAFFIC ADVISORY

TRAFFIC ADVISORY: TEMPORARY ROAD CLOSURES AT THE M2/ MAIN REEF AND LINKED EXTENSIONS

Temporary road closures at R41 Westbound and R41 Eastbound near British Petroleum (BP) Station in Crown Mines will be effected on the weekend of 20 to 21 January 2018, in order to complete the milling and asphalt of the road. Road closures will also be implemented at Treu Island and R41 Main Reef Road.

These road works are part of the R30 million upgrade of the M2 West Highway/ Main Reef Road and linked extensions road works. The purpose of the project is to ease congestion and improve access on this key arterial route.

Main Reef Road and its extensions play a critical role in Johannesburg's road network, in that it links the M1, M2, M7 N1 and R24 which are some of the major freeways forming the backbone of the city's road network.

A traffic management plan has been put in place. Motorists are advised to consider alternative routes during the construction period. Adequate temporary road signs will be put in place along the road warning motorists of the road closures.

Trained flagmen, wearing high visibility clothing, and equipped with red flags will be stationed at strategic locations to pre-warn traffic that they are approaching a construction site.

ENDS.
