## **MEDIA RELEASE**

### **JRA to Fast-track Pothole Repairs in Region C's Blitz**

The Johannesburg Roads Agency's Service Delivery Blitz led by the MMC of Transport, Cllr Nonhlanhla Makhuba, will continue with pothole repairs in Region C. Pothole repairs will start in Ward 134 and thereafter across the entire Region.

The blitz, which kicked off in Region B last week, is set to tackle the citywide backlog of road defects accumulated over the Level 5 to level 3 nationwide lockdown period. As the lockdown regulations have eased, the JRA has sourced the assistance of contractors to fast track road repairs and other maintenance work.

Region C's blitz will focus on roads riddled with potholes in areas such as Bromhof, Boskruin, Florida and surrounding suburbs. The JRA anticipates to complete 750 pothole repairs in the region within the first five days of the blitz.

**Head of Regional Operations, Muziwandile Nkonyane** said, "Roads which are classified as 'good' and 'fair' in terms of road surface quality continue to receive reactive maintenance through pothole repairs. However, we have also prioritised roads that have reached their lifespan or have severely deteriorated."

The Service Delivery Blitz will run until mid-October.
