Rehabilitation Works on M1 Double Decker Bridge Resumes

Motorists are advised to consider alternative routes as **Johannesburg Roads Agency's (JRA)** resumes rehabilitation works on the M1 Double Decker Bridge. The R169 million project commenced on 5 February and is expected to reach completion by 5 December 2019.

The 22-month maintenance and rehabilitation of the 1.02km Double Decker Bridge will be rolled out in a phased approach. A traffic management plan is in place to facilitate the completion of expanded works which will include asphalt surfacing, replacement and repairs to parapets, expansion joints, bearings, rehabilitative works on concrete members in the super and substructures. Additional carbon-fibre strengthening, replacement of lighting and road signs and repairs to the existing drainage system will be carried out.
