**PUBLIC NOTICE**

**M1 Bridge Maintenance**

**WHAT’S HAPPENING**

The City of Johannesburg is working for you. The Johannesburg Roads Agency is undertaking essential maintenance on the M1 Freeway and bridges between Killarney and Crown Interchange.

Construction has already begun and will be completed in 2017. From 27 February 2016, you should expect lane restrictions and closures. This will have a significant impact on travel time, if you use the M1 Freeway.

**HERE’S WHAT YOU CAN DO**

- Make use of the alternative route maps on the back of this flyer, to plan your journey or visit www.jra.org.za.
- Where possible, adjust your travel times.
- Use one of the many free downloadable traffic apps/websites to monitor daily traffic flow.
- Visit www.jra.org.za for updated traffic advisories.

**LANE RESTRICTIONS & CLOSURES**

**OXFORD & FEDERATION**

- Two stage Implementation phase:
  - 27 February to 3 April 2016: Northbound carriageway reduced to two lanes.
  - 3 April to August 2016: Southbound carriageway reduced to two lanes.
- Phase 3: 13 August 2015 to 31 December 2016:
  - Northbound and southbound carriageways reduced to two lanes per direction.
  - Oxford Road off ramp Northbound to be closed.

**DOUBLE DECKER**

- From 8 February 2016 to 6 July 2017
  - Week day closures: either left or right side of carriageway with single lane closed.
  - Week day night closures:
    - One lane closures: 19:00 to 05:00<br>    - Two lane closures: 20:00 to 04:00
  - Weekend closures:
    - One lane closure: Saturday 05:00 to 19:00<br>    - Two lane closure: Saturday 19:00 to 05:00<br>    - Three lane closure: Saturday 23:30 to 05:00 Sunday & Sunday 22:00 to 03:30 Monday.

**PLEASE CONSIDER PUBLIC TRANSPORT**

Construction projects will, unfortunately, result in short-term inconvenience to motorists, residents and the business community. The JRA will, however, attempt to keep disruptions to a minimum, increase traffic management and provide for alternative routes while construction is underway.

Please be patient, remain courteous and obey traffic signals during this short period of disruption.

The long-term benefits of a world-class M1 Freeway bridge network will far outweigh the temporary inconvenience during the rehabilitation phase.
