### **JRA Service Delivery Blitz Makes Headway with Potholes Backlog**

The Johannesburg Roads Agency's (JRA) Service Delivery Blitz, led by the MMC of Transport Cllr Nonhlanhla Makhuba, will focus on the pothole repairs in Region F. The blitz will take place on Thursday the 17<sup>th</sup> of September 2020.

The blitz, which began in August 2020, is underway to tackle the citywide backlog of road defects accumulated over the Level 5 - 3 nationwide lockdown period. As the lockdown regulations have eased, the JRA has sourced the assistance of contractors to fast track road repairs and other maintenance work.

Region F is the second largest region in the City of Johannesburg and has approximately 1 489 kilometres of surfaced road. Areas such as the City and Suburban, Mayfair, Hillbrow, Kensington, and the greater Johannesburg South are among those prioritised for road repairs. Level 1 and 2 contractors will work with the regional teams throughout the duration of the blitz to close off a backlog road-related defects.

**The MMC of Transport said** "City of Johannesburg residents are encouraged to continue reporting road defects with the JRA on the available reporting platforms."

The Service Delivery Blitz will run until mid-October 2020.
