

What Rody Says, about Road Safety for Pedestrians

- ! Always walk on the far side of the footways.
- ! Only cross the road where there is a pedestrian/zebra crossing and when the traffic light is green.
- ! Look out for open manholes along the road/footways, don't play near them.

What Roady Says, about Road Safety for Cyclists

- ! Never ride with more than two friends alongside each other.
- ! Never stunt or race in traffic or hitch onto trucks or cars.
- ! Never carry other passengers on your bicycle, as this obstructs your view and makes steering and balancing more difficult.
- ! **No-bicycles-allowed signs** must not be ignored, this means stay away from these roads as cyclists are not allowed on them.
