TRAFFIC ALERT

Date: 22 August 2024
For immediate release

M1 AND M2 FREEWAYS NEAR JOHANNESBURG CBD CLOSED DUE TO PROTEST ACTION

Attention, motorists: Please be advised that sections of the M1 and M2 freeways surrounding the Johannesburg CBD are currently closed due to ongoing protest action. This closure is causing significant traffic disruptions in and around the area.

Alternative Routes:

We strongly recommend that motorists avoid the Johannesburg CBD and use alternative routes such as the N1, N3, or N12 freeways to bypass the affected areas. Expect delays and plan your journey accordingly.

- Motorists leaving the CBD travelling east, should make use of Albertina Sisulu or exit at Eloff Street to travel east along the M2 towards Germiston. M2 westbound from Joe Slovo/ Heidelberg interchange is congested and should be avoided. Rather make use of Albertina Sisulu, Smit Street or Main Reef Road to travel to Roodepoort.
- The entire M1 between Crown Interchange and Jan Smuts Drive should be avoided. Motorists leaving the CBD travelling north should avoid Nelson Mandela Bridge, Bertha Street and Jan Smuts Avenue. Rather make use of Joe Slovo Drive (access via Charlton Terrace or Marshall Street) to enter the M1 at Killarney.
- Motorists travelling north on the M1 past Gold Reef City, should take the Booyens Road exit.

Stay tuned to local traffic updates and consult your online navigation platforms for the latest information. We appreciate your understanding and cooperation during this time.
